**ONLY QUALITY
NOTHING ELSE**

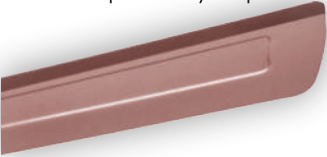

TOOFAN: A Legacy of Quality and Excellence

Established in 1976, TOOFAN has devoted over 48 years to crafting high-quality, minimalist products, driven by our unwavering commitment to offering exceptional value to customers, be it for grand or modest needs. With a rich legacy of State and National awards, our motto remains "ONLY QUALITY, NOTHING ELSE." Our extensive product lineup comprises meticulously designed models, ensuring both comfort and style in your homes and workplaces. Our pursuit of excellence persists. Introducing our diverse fan range, from Ceiling Fans to High-Speed Ceiling Fans, Table Fans to Wall Fans, Pedestal Fans to All-Purpose Fans, Tower Fans to Exhaust Fans, Ventilation Fans to Industrial Fans. We're proud of creating energy-efficient fans with high performance. Our skilled artisans and engineers collaborate to deliver precision metalwork and contemporary design. At TOOFAN, you never have to compromise on efficiency or style - our fans offer both. With perfectly balanced blades for wobble-free operation, we stand out. Our commitment to quality has expanded our reach across Nepal, Bahrain, UAE, Sri Lanka, West Africa, and a network of 400+ dealers in India. Choose TOOFAN for craftsmanship, performance, and renowned fan quality for your home, office, or restaurant.

WHY CHOOSE US?

At TOOFAN, our fan designs prioritize efficiency. Our ceiling fans not only significantly reduce energy consumption but are also more cost effective than ever before. TOOFAN fans are not just visually striking; they embody the perfect blend of form and function, offering enhanced energy efficiency, reduced power consumption, and a smooth airflow. Meticulously crafted blade designs ensure rapid and optimal airflow, while our robust motors deliver outstanding performance. With their swift rotations, our fans create a refreshing ambiance, transforming any room into a delightful haven. Moreover, our fans are available in a variety of aesthetic finishes and colors to complement your personal style.

Unveiling Our Future: Elevating Quality, Efficiency, and Innovation!

Exciting times are on the horizon for us! We're elevating our manufacturing capabilities with state-of-the-art technology and expertise, all aimed at a bold mission; crafting the most energy efficient products around. And that's not all our motor units are getting a stylish makeover, offering customers the freedom to customize surface finishes to their liking. In a country where ceiling fans consume substantial electricity, we're relentlessly focused on enhancing energy efficiency. As technology progresses and energy-efficient fans like BLDC become increasingly accessible, the potential for energy conservation grows significantly. Our aspirations have already transcended borders, and now we aim to penetrate wider global markets, ready to make a sustainable impact with our technological expertise. Our expansion plans across India are in full swing, ensuring top-notch quality, safety, and cutting-edge tech. And speaking of tech, our passion for lot and other innovative features is boundless. We're not just a home appliance; we're a symbol of quality, safety, and unstoppable progress! Allow us to introduce our latest collection, tailored just for you.

HIGH COURT JUDGEMENT

Information for our valued investors and well-wishers.

Jai Rajendra Impex Private Limited that the Hon'ble of Calcutta High Court, in an order dated **July 25, 2011**, has recognised our rights to the trademark "**TOOFAN**." This trademark has been in use by our predecessors since 1976 and is closely associated with our company. We have diligently worked to promote and establish the "TOOFAN" mark. The unwarranted legal action initiated by Shambhu Nath Brothers in the form of suits GA 1946 of 2010, GA 1763 of 2010, GA 2792 of 2010, and CS 133 of 2010, seeking temporary injunctive relief against us, has long been dismissed in the year 2011. The Hon'ble Court has acknowledged our superior rights to the "TOOFAN" mark, affirming our position. Justice has been served. We sincerely appreciate your well wishes and support.

हमारे मूल्यवान निवेशकों और शुभचिंतकों के लिए जानकारी ।

जय राजेंद्र इम्पेक्स प्राइवेट लिमिटेड के तरफ से कोलकाता उच्च न्यायालय के मान्य ने **25 जुलाई, 2011** के आदेश में हमारे "**TOOFAN**" ट्रेडमार्क पर हमारे अधिकारों की पहचान की है। यह ट्रेडमार्क हमारे पूर्ववर्तियों द्वारा 1976 से उपयोग में है और हमारी कंपनी से गहरा जुड़ा हुआ है। हमने मेहनत की है कि "TOOFAN" मार्क को प्रमोट करने और स्थापित करने के लिए। शम्भूनाथ ब्रदर्स द्वारा असंविवादित कानूनी कदम, जैसे कि GA 1946/2010, GA 1763/2010, GA 2792/2010, और CS 133/2010 के रूप में हमारे खिलाफ अस्थायी प्रतिषेधान की मांग की थी, वह 2011 में ही खारिज कर दी गई है। मान्य न्यायालय ने हमारे "TOOFAN" मार्क पर हमारे अधिकारों की पहचान की है, हमारी पोजिशन की पुष्टि करते हुए न्याय हुआ है। हम आपकी शुभकामनाओं और समर्थन की हार्दिक सराहना करते हैं।

*REF:

JRI reserves the right to change the design, technical specification and dimensions without prior notice. Due to continuous product improvement, the product illustrated in this catalogue may vary slightly from the actual product.

Speed (RPM)	Air Delivery (CMM)
340	210

Higher RPM does not mean Higher air ow.
Air ow / Air delivery is the only point of comparison in selecting a ceiling Fan.

Energy Efficiency

Lower electricity consumption means higher saving.

The more star there are, the more your saving are.
